Re: *In re Dentsply Sirona, Inc. Securities Litigation*, No. 18-cv-7253 (NG) (PK)

Dear Judge Gershon:

We write on behalf of Lead Plaintiff, Strathclyde Pension Fund, to respectfully request permission to submit a 45-page memorandum of law in opposition to Defendants' motion to dismiss dated August 15, 2019.

On August 9, 2019, Defendants requested permission to file a 40-page brief in support of their motion to dismiss, which request was granted on August 12, 2019. In addition to their motion, a proposed Order and a 40-page brief, Defendants served on Lead Plaintiff a declaration of counsel that attached 43 exhibits of documents and a 44th exhibit consisting of an 18-page "Schedule to the Memorandum of Law" that referenced "122 court filing, news articles, and other publicly available materials such as SEC filings." In order to properly respond to Defendants' motion and their supporting brief and other materials, we respectfully request that this Court allow Lead Plaintiff to submit a memorandum of law in opposition to the motion to dismiss of no more than 45 pages.

We have conferred with counsel for Defendants and are informed that they take no position on this request.

Respectfully submitted,

Jeffrey W. Golan
